## SUMMARY

Focused on solving real user problems by creating simple, usable, and visually clear experiences. UI/UX Designer with hands-on experience designing and supporting responsive web and e-commerce platforms. Skilled in Figma with a strong understanding of HTML, CSS, JavaScript, Bootstrap, and Shopify, enabling smooth design-to-development handoff. Experienced in working with cross-functional teams on design implementation, usability fixes, inventory systems, and ERP-connected platforms. Strong attention to detail with a practical approach to building user-centered solutions that support both business goals and user needs.
